

RBCC YOUTH GROUP

SPRING 2024

SHOWING UP IN COMMUNITY:

This Spring the RBCC Youth Group will focus on how we show up in community. Showing up in and for community was a shared intention of all our youth in their Confirmation reflections. Check out our youth speaking their truth from our Confirmation Sunday Worship Service Here:

Communities of faith stand in an important position to support the diverse neighborhoods they are located in. How well are we serving our neighbors? How well are we supporting each other? How can we better be community within the community? Here are some upcoming opportunities youth can participate in:

Youth Interfaith Literacy Series: Through out the spring we will learn about our neighborhoods' many diverse religious traditions and explore skills for bridge building. In April we we attend a Shabbat Service and visit a Quaker Friends Gathering.

Community Service Opportunities: The RBCC Youth reinvented the Easter Pancake Breakfast this year. Not only serving breakfast between services but also serving our neighbors in need. Through out the Spring, youth will receive information on many opportunities to engage in and around our community. Such as:

- The RBCC Players Production Team of Mary Poppins.
- Be a Reading Partner with the Boys and Girls Club.
- Volunteer at the Richmond Beach Strawberry Festival.
- Upcoming Sandwich Sundays and outreach.
- Volunteer to help in our RBCC Nursery and Sunday school.

RBCC Youth continue to consider what a Identity and Mission Statement is: What is our vision? What do we value? What is the collective commitment we agree to make? What are the actions we will take together? Our youth will continue to discern who we are in public! According to our youth, we are RBCC UCC, the church that...
